

## Meeting Saclay (CEA) 12 & 13 May 2005

### Exploitation Board

Welcome from Philippe Le Tourneur (SODERN) for the 2nd exploitation board of the EURITRACK project.

**Dissemination/promotional information**  
EB decides to add on the web site a general presentation of the project (objectives, technological innovation, consortium), the schedule of the conferences, files of poster presentation and abstracts of oral presentations.

**Collaborative workplace**  
EB reminds collaborative website is the best tool to have a good and quick communication between the partners of the project. EB proposes to add other links in the consortium working place (industrial information from outside consortium).

**Newsletter**  
EB decides to add a possibility for the web surfers to subscribe to the newsletter. EB will organise the feed back (emails addresses of interested readers) of such subscriptions.

**Conferences/ Workshops**  
Feedback on conference participations since january 2005: EB has to inform the consortium about the procedure of publication (internal and external) before and after the event.

### Executive Committee

After a Welcome from Jean-Louis Szabo (CEA) for the 2nd Executive Committee of the EURITRACK project, meeting is opened at 14:00.

On behalf of CEA, Jean-Louis SZABO has expressed his sincere thanks to MM Viesti and Peerani for their valuable contributions to the finalization of the documents D4 and ID2.3 as well as to all other partners who have also contributed to this effort.

- ♦ WP2: Again thanks to all members for their contribution . An excellent cooperation between members of the consortium.
- ♦ WP3: Several points have presented regarding the detectors, electronics etc...
- ♦ WP4: To get more information about the progress of this task
- ♦ WP5: Presentation of options
- ♦ WP6: No comment
- ♦ WP7: Summary of Exploitation Board meeting
- ♦ WP8: No comment
- ♦ WP9: No comment

Presentation of the choice of the final option for the demonstrator on site

*It was decided to hold the next meeting in Italy at Pavia the 2<sup>nd</sup> week of September 2005 during meeting "New Trend in Nuclear Physics Applications and Technology", (5-9 september 05)*

## European commission news

- ◆ **Security research**  
Security has been included in the list of priority research themes in the proposal for the 7th Framework Programme for Research & Development issued to the European Parliament and Council by the Commission. As well as responding to widespread demand in the face of new security challenges this move will enhance the competitiveness of the European security industry.
