

## Meeting Pavia 7 & 8 September 2005

The next meeting would be held in CEA Saclay 19-20 January 2006 including a technical meeting before the general boards

The boards meetings of the project were organised by INFN in the Pavia University, during the XIX Nuclear Physics Divisional Conference "New Trends in Nuclear Physics Applications and Technology", september 5-9, 2005

## Exploitation Board

Welcome from Philippe Le Tourneur (SODERN) for the 3<sup>rd</sup> exploitation board of the EURITRACK project.

### Link with international organisations

- ♦ JL Szabo is member of ESRAB (European Security Research Advisory Board)
- ♦ J L Szabo will be in september the representant of Euritrack in the European Summer University on Maritim Security, September 2005
- ♦ G Viesti participated to a meeting in Vienna with IAEA (Use of Neutron generators or sources). He said that the US are focusing on the SNM threat.
- ♦ JL Szabo and G Viesti are members of the program committee of the next SPIE Orlando Conference Defence and Security (April 2006)

## Executive Committee

After a Welcome from Jean-Louis Szabo (CEA) for the 3<sup>rd</sup> Executive Committee of the EURITRACK project, meeting is opened.

### Programme of work, meetings

- ♦ WP1 is closed
- ♦ WP2 Meeting on 26<sup>th</sup> of September for implementation on site issues (CEA, DGDDI Paris & Le Havre, Magellis, SODERN)
- ♦ WP3 Technical meeting in Pavia on Friday 9 september
- ♦ WP4 First examples of screens & interfaces have been presented by JRC. Improvements and suggestions from partners are welcome. DGDDI will loan experts in Ispra in that purpose.

**First review meeting  
in Brussels  
4 November 2005**

## Advisory board

The second meeting of the Advisory Board was planned during Pavia meeting of Euritrack. Experts of the Advisory Board happy to see:

- ♦ That phase of brainstorming is closed
- ♦ A better coordination between partners
- ♦ The prototype of the Software in WP4
- ♦ A dynamic that they did not feel in May 2005
- ♦ Everything in good process regarding the development and the implementation of the demonstrator on site

## Governing board

For the consortium strategy, an initiative, called Pavia initiative, is approved by all the members of the Governing Board.

### Pavia Initiative

In case of success of the demonstration phase, the consortium wishes to maintain the integrity of the demonstrator in order to:

- ♦ be able to perform new phases of development
- ♦ or go to a quick manufacturing of a prototype by an Industrial Company with a transfer of license.

The technical feasibility and associated costs of leaving the system under operation conditions on some site will be assessed and agreed between members of the consortium.

In any case budget is planned for dismantling the system and cleaning the site at the end of the project.

The next meeting of the Governing Board will be planned in September/October 2006, probably in Italy.

## Web News

♦ A few presentations of Euritrack are on line on different web sites:

## European commission news

### ♦ Security research

The European Commission will hold a consultation meeting with security research stakeholders prior to deciding upon its Programme of Work for the third, and final, call for proposals under the Preparatory Action in the field of Security Research (PASR). The meeting will be held on 10 November 2005 in Brussels at the Charlemagne Building, Room S3. All interested parties from industry, research, universities, think tanks and organisations with security tasks and responsibilities (security research "users") are invited to register as soon as possible and certainly no later than 28 October 2005.
